OCTOBER 2001 VOL 8, NO. 10

## Features

**30 Build an 800hp Sleeper**  
John Germanson decided to clean out the spare parts he accumulated

**58 Shake-Adelic, Baby!**  
Austin Powers meets New-Edge in Classic Design's Shaker Mustang

**72 Turning Tricks**  
That's what Ron and Jonathan Blevins taught their '89 LX

100

**100 Ford Racing's 300hp Focus**  
Ford Racing elevates Focus performance with its FR200 parts star

**114 Playing Bridge**  
Another Mustang toy that bridges the generation gap

**128 Take a Deep Breath...**  
Samuel Vincent tries to knock out the Outlaw turbo brigade with giggle gas

**154 Have It Your Way**  
Make a statement with one of these cool body kits

**On the Cover**  
Tom Wilson got way up on a ladder to capture John Germanson tinkering on his 800hp sleeper. Meanwhile E. John Thawley III dangled his Canon out of a moving vehicle to capture Ford Racing's FR200 Focus jetting around the racetrack at Willow Springs.
