

KAY:

*Wish I had time  
to keep things so sparkling!*

**FRAN:** But it takes no time at all—with a cleanser that doesn't leave dirt-catching scratches.

**KAY:** Oh, come on, Fran! What have scratches got to do with fast cleaning?

**FRAN:** Everything! They catch and hold on to dirt and make you scrub like the dickens. That's one reason I always use Bon Ami on bathtubs and sinks. It works without grit—just slides the dirt away, but fast!

**KAY:** Sounds good. But I still don't see how you get such a shine on everything.

**FRAN:** Because Bon Ami polishes, too. Leaves a satin-smooth finish that's a cinch to keep clean.

**KAY:** Okay, okay, I give in! And if Bon Ami will only leave my hands looking half as nice as yours, I'll never use anything else.

**US:** In addition—for sparkling, film-free windows, mirrors and windshields—use Bon Ami in the handy *Cake* form.

"hasn't scratched yet!"
