BETTER HOMES & GARDENS, DECEMBER, 1953

*It's my "Carefree Coffee Maker!"*

says PEGGY WOOD, Star of the CBS-TV "MAMA" program

"Mama" never had the convenience of a modern coffee maker when guests dropped in for that cup of hospitality. It's so different today when you have the fully automatic FARBERWARE COFFEE ROBOT.

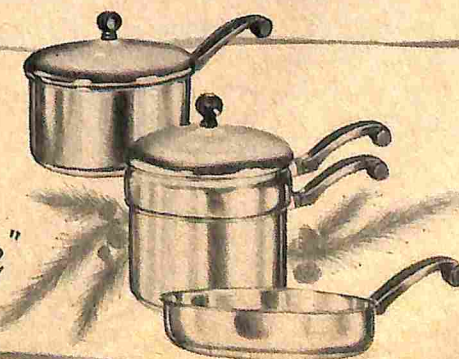

You just measure coffee and water, plug it in. Then, relax with your guests while Farberware perks to flavor peak *automatically*. And here's what hostesses really appreciate... coffee stays at serving temperature for hours, *automatically*, without boiling, without getting bitter. And Farberware's handsome design in gleaming chrome over solid brass adds graciousness to every occasion. 8, 10 or 12 cup sizes. \$22.95 to \$28.95. (\$1 higher west of Mississippi)

**FREE:** 16 page booklet, "Hospitality Hints"—deliciously different recipes to serve with coffee! Write S. W. FARBER, Inc., Dept. CB7, New York 54.

The Gift of Good Cooking

**FARBERWARE**  
*the "Carefree Cookware"*

It's the only cookware in the world with a layer of thick, heat-spreading material bonded to the bottom of each standard utensil. That's why food cooks evenly... why cleaning is so easy... starting combination is a frying pan, saucepan and double boiler.

**EXCLUSIVE FLAVOR-GUARD FEATURE**  
Makes coffee-making fully automatic!  
There's nothing to set... nothing to forget.
