

# ideas

This handsome 40-page booklet is a must for anyone planning a second home. Includes full-color pictures and floor plans for 18 different leisure homes. Whether you're planning for vacation, retirement or investment—a simple mountain cabin or a year-round beach house—you'll find it here. All homes are architect-designed. All call for simple, straightforward, economical plywood construction. Book tells how to get complete plans and blueprints. Only 10¢. Send for yours today. (Offer good in USA only.)

Mail coupon today for your copy of this valuable leisure-home booklet.
