Fireproof  
 As little as \$19.50 DOWN will put a  
**Johns-Manville**  
 Asbestos Shingle Roof on your home  
 a year to pay

**Fire started on roof**—that is the chief's blunt report. It goes for 23 out of every 100 residential fires!

The report you have to make to yourself is:—INESTIMABLE LOSS. For it's not a house that's burned up—it's YOUR HOME.

Why wait any longer to protect your home and your family against fire?

Today you can have a fireproof roof of Johns-Manville Asbestos Shingles... for as little as \$19.50 down! The bal-

ance you pay out of income—twelve small monthly payments.

In addition to fire protection you buy *permanence*. No Johns-Manville Asbestos Shingle has ever worn out! Upkeep expense eliminated!

J-M Rigid Asbestos Shingles are made of asbestos fibres and Portland cement combined under pressure. They may be had in a wide variety of textures, styles, colors and prices. You will find

the type which exactly fits your needs—whether you're re-roofing or building.

Still lower in cost are J-M Flexible Asphalt Shingles. Surfaced with finely crushed rock or slate, they are fire-retarding, durable.

The J-M dealer will also tell you about J-M Asbestos Wainscoting. It has the color and charm of ceramic tile of high quality—without the cost. \$9.75 down and small monthly payments modernizes that dingy bathroom or kitchen! Mail coupon for further information.

JOHNS-MANVILLE • 41st Street & Madison Avenue, New York, N. Y.

I would like to have your dealer inspect the condition of my roof—free. I would also be interested in learning more about J-M Asbestos Wainscoting. This puts me under no obligation.
