

Whether you're coming or going, a path like this through a double border makes the simplest errand a pleasure. The roses hold their places; snapdragons and dwarf phlox are seasonal. R. Bursleson Staten home, South Laguna

In almost every instance they have been the most widely-read, most frequently discussed books of their day—the books you read, or were sorry to have missed!

Why We Make This Unusual Offer

BETTER HOMES & GARDENS, SEPTEMBER, 1952

How the Literary Guild Operates

Each month publishers submit their best books to our editors. From among them one is selected and fully described in "Wings", the beautifully-illustrated book-review magazine members receive monthly. As a member, whether or not you take a selection is up to you. If you decide you don't want a selection, you may choose one of the alternates offered, or simply tell us not to send any book. It is not necessary to accept a book every month; you can take as few as four a year from the 50 or more offered and you may cancel membership at any time after you have accepted four books. And with each fourth book you accept, you get your valuable FREE Bonus Book... a new popular work of fiction or non-fiction, or a famous "Collector's Library" volume.

Send No Money—Just Mail Coupon

But you cannot appreciate all the advantages of membership until you try it! Why not do so now while you can have three books (a value up to \$29.45 in the publishers' editions) on approval? You may return them within 7 days and owe nothing, or pay only \$2.00 for all three and become a club member. Your sole obligation then will be to accept only three more books at \$2.00 each during the coming year. Mail the coupon now!
