We searched high and low for the tackiest game show host we could find for our giant 101 Free Car Goodies giveaway. After extensive interviews, we chose this man, Wink Dinkler (alias Copy Editor Bill Kohn), for the part. The beautiful young lady in the background is Susan Smith. Now c'mon down!

If our buddy Nick Jennings looks a bit confused, it's only natural. What would you do if a national magazine asked you to trash out your car for a photo? And though Nick might be perplexed, you shouldn't be, because the buildup on his flyin' Fairlane is first-rate.

If your fantasies are anything like Richard Paul's, then we've got a story for you. Richard has applied Eighties technology to the old axial-flow Latham supercharger to produce a killer new street supercharger. But this is no fairy tale. The Latham supercharger is alive and well and capable of making horsepower for your tomorrow.
