Supplying fellow collectors with quality and value since 1980.

BRAKE OVERHAUL

Brake Kit Contains:
4 wheel cylinder kits, 1 master cylinder kit, 4 wheel shoes and linings, 3 hydraulic hoses, 1 set of brake hardware.

Why not do it right the first time? Old and weak return springs, worn or grease-soaked shoes, leaking wheel cylinders, cracked rubber brake hoses, or master cylinders can add up to trouble. The brakes are obviously the MOST IMPORTANT safety feature of your car. It just makes good sense to "DO IT ONCE and DO IT RIGHT" with our Brake Overhaul Kits. Get all the parts you need at once from the source you've trusted for over 32 years.

BRAKE KIT	SET OF 4 WHEEL CYLINDERS	BRAKE KIT	SET OF 4 WHEEL CYLINDERS
