COVER: Not only did Dick Trickle have a good year, winning the ARTGO championship and the runner-up spot in the ASA points chase, but he also capped the '83 season by winning the \$50,000 first prize at the World Crown 300, where Bob Applegat caught him practicing at Georgia International Speedway. The full story begins on page 22. Richard Oakley captured Tony Siscone's #14 Modified to accompany that driver's exceptional comeback after a tragic accident. See the stories on pages 32 and 34.
