## News + Notes

**12 | Northern Lights** The buzz from this year's film festival will spell glory or doom for many big fall movies...Q&A with Laura Linney... *RoboCop*'s Peter Weller: Roman history expert...The Deal Report...Rating Martha Stewart's daytime return...Hollywood's neo-dandy style...Monitor.

## Features

**26 | Playing Doctors** How the sexiest hospital show ever, *Grey's Anatomy*, made doctors desirable again. BY NICHOLAS FONSECA

**34 | Death Becomes Her** *Corpse Bride* reunites Tim Burton with frequent collaborator Johnny Depp and returns the director to his first love—animation. BY STEVE DALY

**40 | Lord of the 'E-Ring'** Dennis Hopper is now working for the man in NBC's Pentagon drama, *E-Ring*. Has the born-to-be-wild biker gone mild? BY JOSH ROTTENBERG

**44 | From Ukraine, With Love** How did Eugene Hutz, a punk musician from Eastern Europe who'd never acted before, wind up starring alongside Frodo in *Everything Is Illuminated*? BY MICHAEL ENDELMAN

**46 | Bob Dylan 101** Hot on the heels of Martin Scorsese's new Dylan documentary, EW presents a guide to the singer's must-haves—and must-avoids. BY CHRIS WILLMAN AND CHRIS NASHAWATY

A young Bob Dylan spreads his wings—and music for the world to hear (page 46)
