

When the city's
most deviant criminals
raise the stakes,
these cops raise the bar.

The New Fall Season Starts First On FOX!

Premieres
FRIDAY SEPT 23 9/8c

FOX

Entertainment WEEKLY

News + Notes

16 | The Hard Look Back

Hollywood is directly addressing Sept. 11 in three upcoming projects. But are audiences ready?...Hit List...Q&A with Vince Vaughn...*In Her Shoes* poster politics...Will ESPN fumble without its star player?...Mike Wallace to plug memoir on NBC...The Deal Report...*Rome* keeps its togas real...Hot Sheet...Monitor.

Features

26 | Here We Are Now...

They made EW's first decade memorable. Catching up with some of the brightest TV, movie, and music stars of the '90s.

38 | Arrested Development

Citizen Kane may be the greatest movie ever made. *Star Wars* may have cornered the geek market. But no film touched the hearts and minds of the world quite like *Police Academy*... BY JOSH WOLK

45 | Grimm Tidings

Brothers Grimm director Terry Gilliam opens up about his adventures in Hollywood and the low quality of today's movies. BY GILLIAN FLYNN

50 | Looker Who's Talking

America's favorite top model-turned-top mogul Tyra Banks expands her empire with a new talk show and another season of her UPN hit (but probably no more singing). BY CLARISSA CRUZ

54 | Love Song Bird

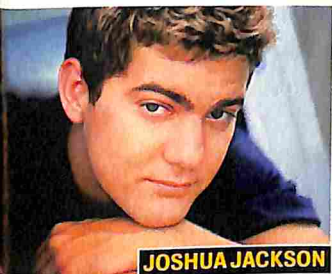

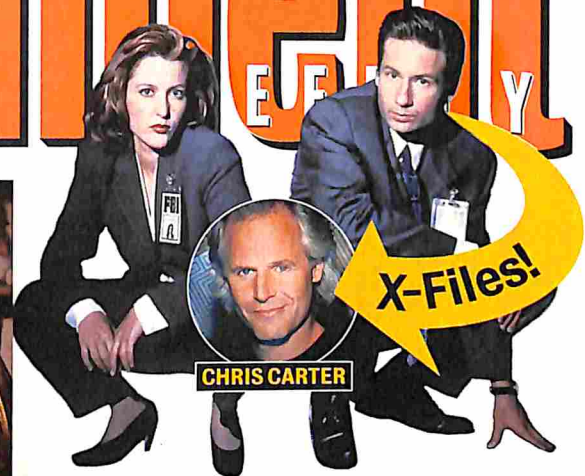

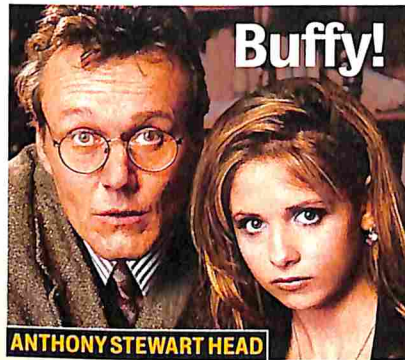

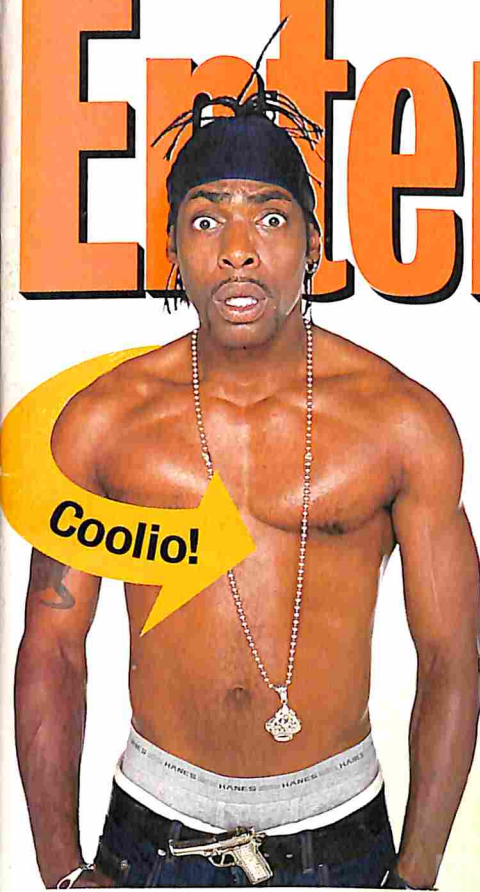

Natasha Bedingfield is one of the summer's most exciting new singers, and her single "These Words" is already a hit. So why does she sound like a farm animal? BY MARGEAUX WATSON

Second bloom: With three indie films out this year, Joshua Jackson is officially back on the scene (page 26)
