Download exclusive content and updates directly to your HD DVD player. Then test your *Heroes* genetic abilities and share the results with other fans. Immerse yourself in the *Heroes* universe with Connections and Picture in Picture.

# Contents

SEPTEMBER 7, 2007

## Features

### 36 Unbreakable

It's fitting that the name of the latest Jodie Foster flick is *The Brave One*. The Oscar-winning action heroine laughs in the face of Hollywood stereotypes—and talks about how she forged her own path in the industry. BY KAREN VALBY

### 46 Showdowns of Summer

It was a season of blockbuster threequels, Seth Rogen films, and lyrics-based game shows. But who'll be remembered after Labor Day? We've weighed in on the summer's biggest entertainment battles and asked EW.com readers to do the same.

### 50 War Machine

For millions of die-hard fans, the biggest sequel of the year doesn't have *Pirates* or *Potter* in the title—it's *Halo 3*. How do the minds behind the videogame satisfy the devoted? By doing exactly what they say. BY NEIL DRUMMING

### 88 ENTERTAINMENT WEEKLY

"There's a kind of performer who is more about selling their persona, their brand. That's certainly not what Christian's about."

—Director James Mangold on Christian Bale
