## ARE YOU A HARD-CORE DRIVER?

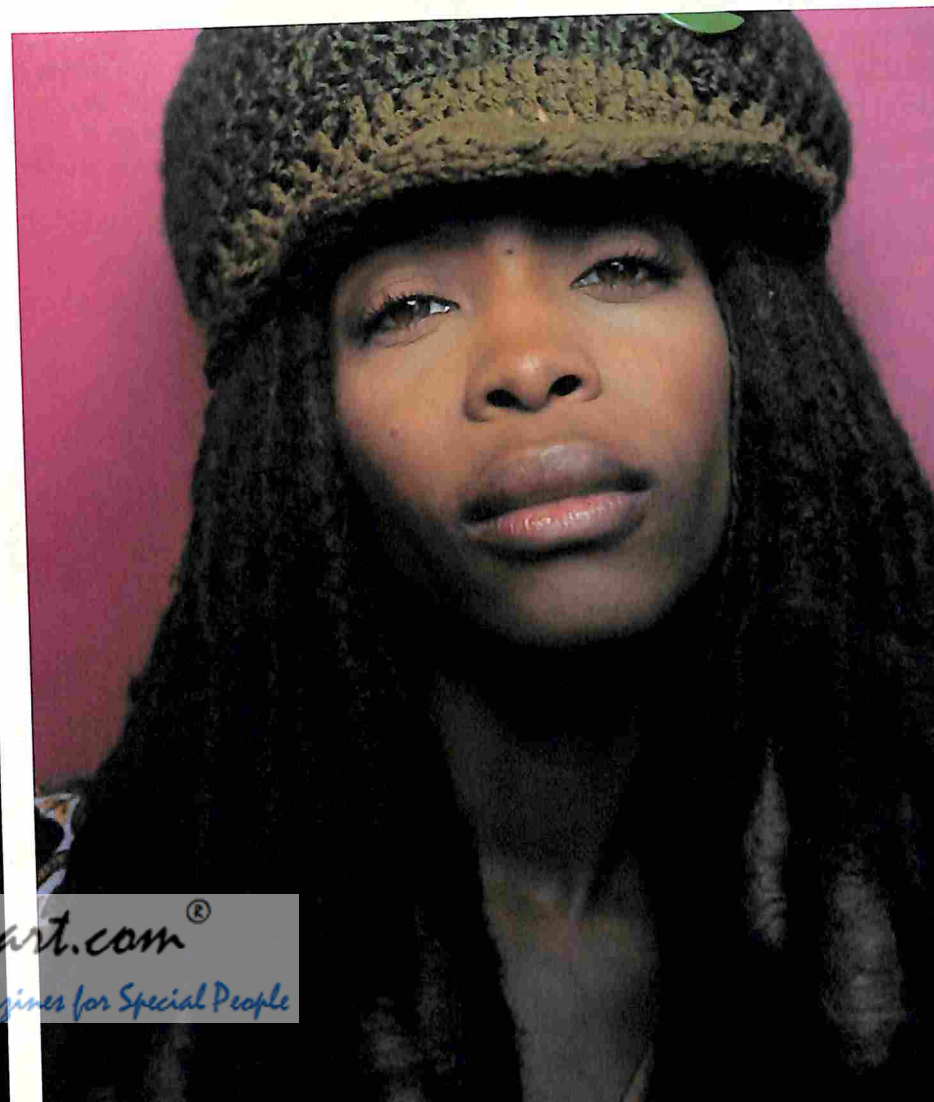

We've got you covered. When you choose to drive a new Grand Am, we have a pretty good idea of how you plan to drive it. So that's why we've made it hard to the core with SolidForm Design. And to be sure that it'll live up to your expectations, we're backing it like never before. Right now, when you take delivery of a new 2000 Grand Am, consider asking your Pontiac dealer for Grand Am's Solid Commitment Program\* instead of traditional cash back or APR financing. When you do, your new Grand Am will be covered by the Major Guard® Protection Plan for up to five years or 60,000 miles\*\*. On top of that, you'll also get the SmartCare™ Basic Maintenance Plan that covers up to five years or 60,000 miles worth of oil changes, lube jobs and tire rotations†. We're so confident that you'll have the best experience in your new Grand Am; we're committed to it. The Grand Am Solid Commitment Program. A few limitations and restrictions apply. But don't let that stop you. Check the "Net" at grandam.com or see your Pontiac dealer today.

**GRAND AM**

\* Solid Commitment Program limited to new and unused 2000 vehicles only. May not be combined with consumer cash, special GMAC finance or SmartCare/SmartBuy offers. You must take retail delivery from a participating dealer by 9/30/00.

† SmartCare™ (basic maintenance plan) for 60 months/60,000 miles (whichever comes first) includes oil changes, lube jobs and tire rotations in accordance with the recommended maintenance schedule. See dealer for complete details.
