The Secret of Keeping Warm in Winter!

Wherever the winters are cold, with temperatures in the "teens" and "wind-chill factors" even lower, people are talking about Damart Underwear.

And no wonder! Damart is the unique underwear that keeps you amazingly warm, dry and comfortable no matter how cold it gets, no matter how hard the wind blows. No matter how long you stay out! You'll have to run your fingers over Damart Thermolactyl to discover how soft it is! You'll be thrilled at Damart's light weight that lets you move so easily.

Damart does this with a new miracle fabric—Thermolactyl. It's knitted to let perspiration out! Nothing else does this like Damart! You can wear Damart indoors too, and turn your thermostat down into the 60's. You'll feel perfectly comfortable and enjoy dramatic savings in home heating costs.

Damart is so comfortable that Mt. Everest climbing expeditions wear it. So do the Green Bay Packers, New England Patriots, Chicago Bears and Philadelphia Eagles Football Clubs.

Our free color catalog tells the full Damart Thermolactyl story and displays the whole Damart line for men and women, including tall sizes.
