THE COVER

The 1860 Colt Army revolver pictured in 4 by 5 Anseochrome on the cover by Colin Creitz is in as near mint condition as will be found in any collection. This .44 percussion pistol with eight-inch barrel is original in every respect and is from the collection of Edwin A. Bruenig of Los Angeles. This is a civilian model, containing but three screws in the frame, and grips are of varnished walnut. Original silver remains on the trigger guard and the bore is mirror-like. Cylinder has the customary naval engagement scene engraved on it.
