volume 9 number 3

## features

**110** So, We Were Wondering Whether Brittany's a Ditz, a Genius or a Druggie Turns out, she's Esther Haynes's new BFF. And they even look alike.

**126** J.Lo Wants the Flan Cut Into Triangles, Damn It! Owning your own business can be really stressful, unless you're a celebrity.

**130** Boy, Are You Not Dying to Get Married Any Time Soon Creative (and slightly insane) ways you've avoided the whole nuptials thing

**142** Four Easy Techniques to Charm the Pants Off Anyone Katy McColl shows you how to rack up refunds, free services and gifts.

## fashion

Dress

**45** We take camping clothes out of the dirty, inconvenient setting.

**46** Bags that can hold your life for up to two days **48** Guest editor Keisha Knight Pulliam tells you exactly where to sport

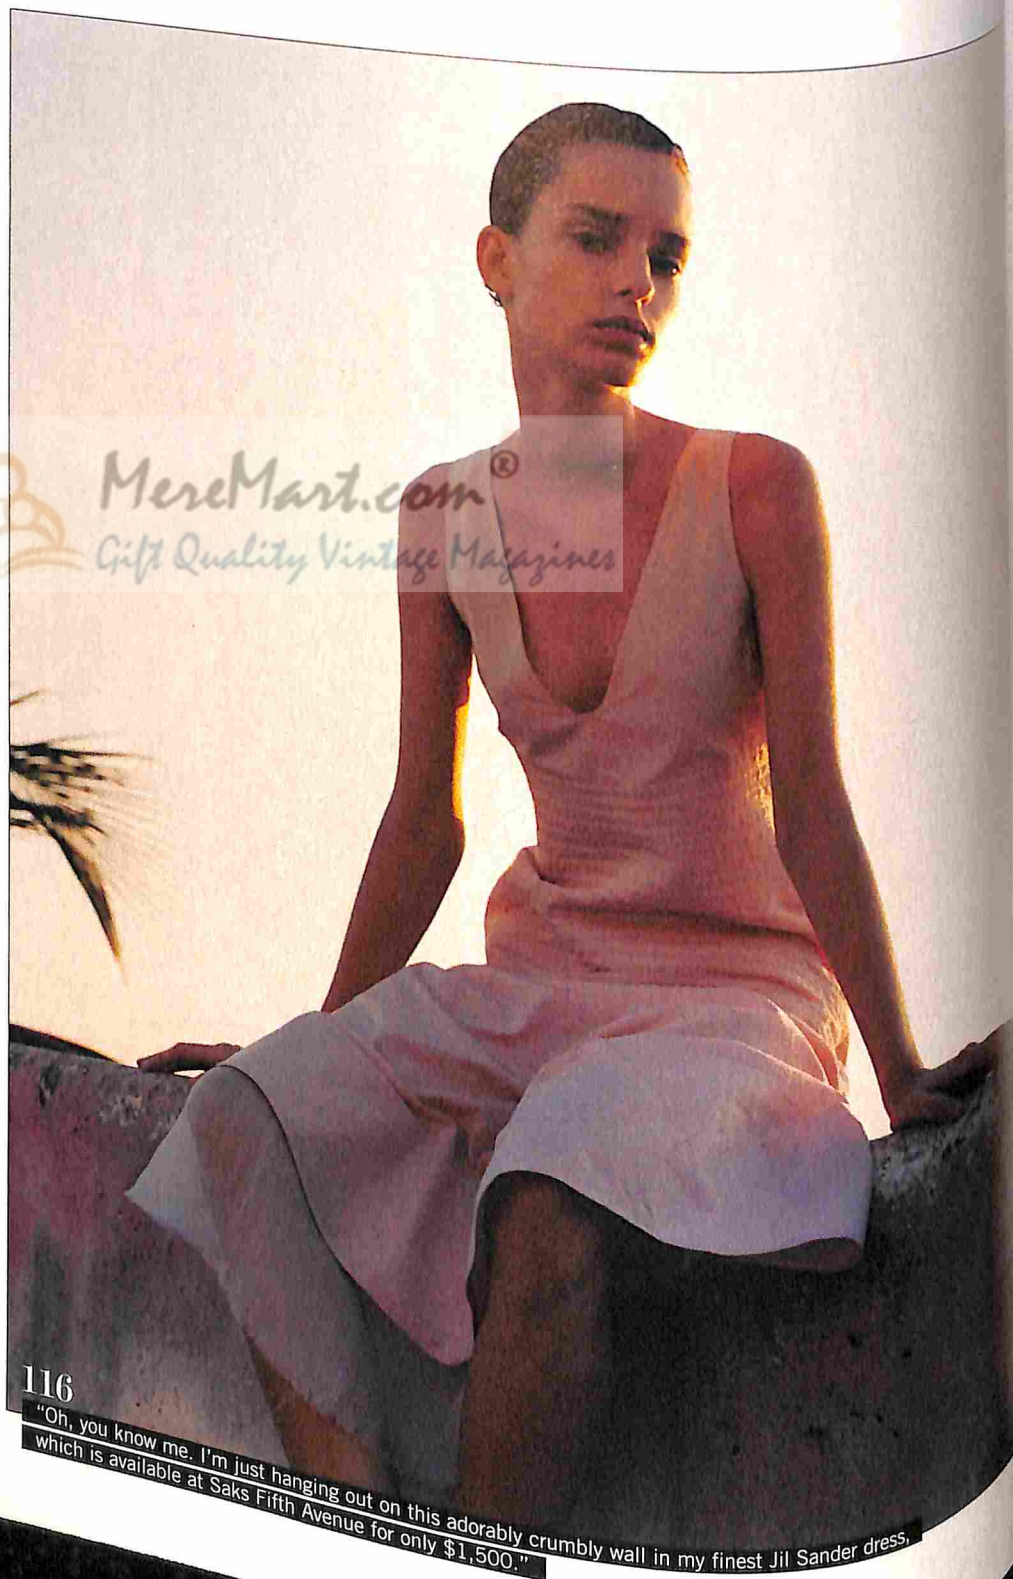

these cargo pants. **50** Hoodies so hot, you'll still be smiling, even if you catch your hair in the zipper

**52** Sneakers that can go from tree climbing to trendy gallery opening

**54** Layer these T-shirts under those (unzipped) hoodies.

**116** Sunrises and Sunsets Forget that their beauty is largely caused by pollution—the light is excellent for showing off your clothes.

**134** Some of Life's Simple Pleasures Nonfussy ways to make denim look *claaaaassy* →

116

"Oh, you know me. I'm just hanging out on this adorably crumbly wall in my finest Jil Sander dress, which is available at Saks Fifth Avenue for only \$1,500."
