volume 9 number 1

## features

**62** Paris Hilton Is a Born-Again Virgin! Jeff Johnson uncovers the socialite's inner do-gooder.

**78** Why Is His Burrito Bigger Than Hers? Our scientific investigation into whether women are still getting the economic shaft.

**92** Four Religions in Four Weeks Stephanie Trong's faith-based initiative to find God now.

**98** Thanks for Nothing, Man These women confront their exes and come out on top.

**110** Where Do Smarty-Pantses Like You Pay \$100,000 to Live Like Slaves? Might want to rethink those grad school plans.

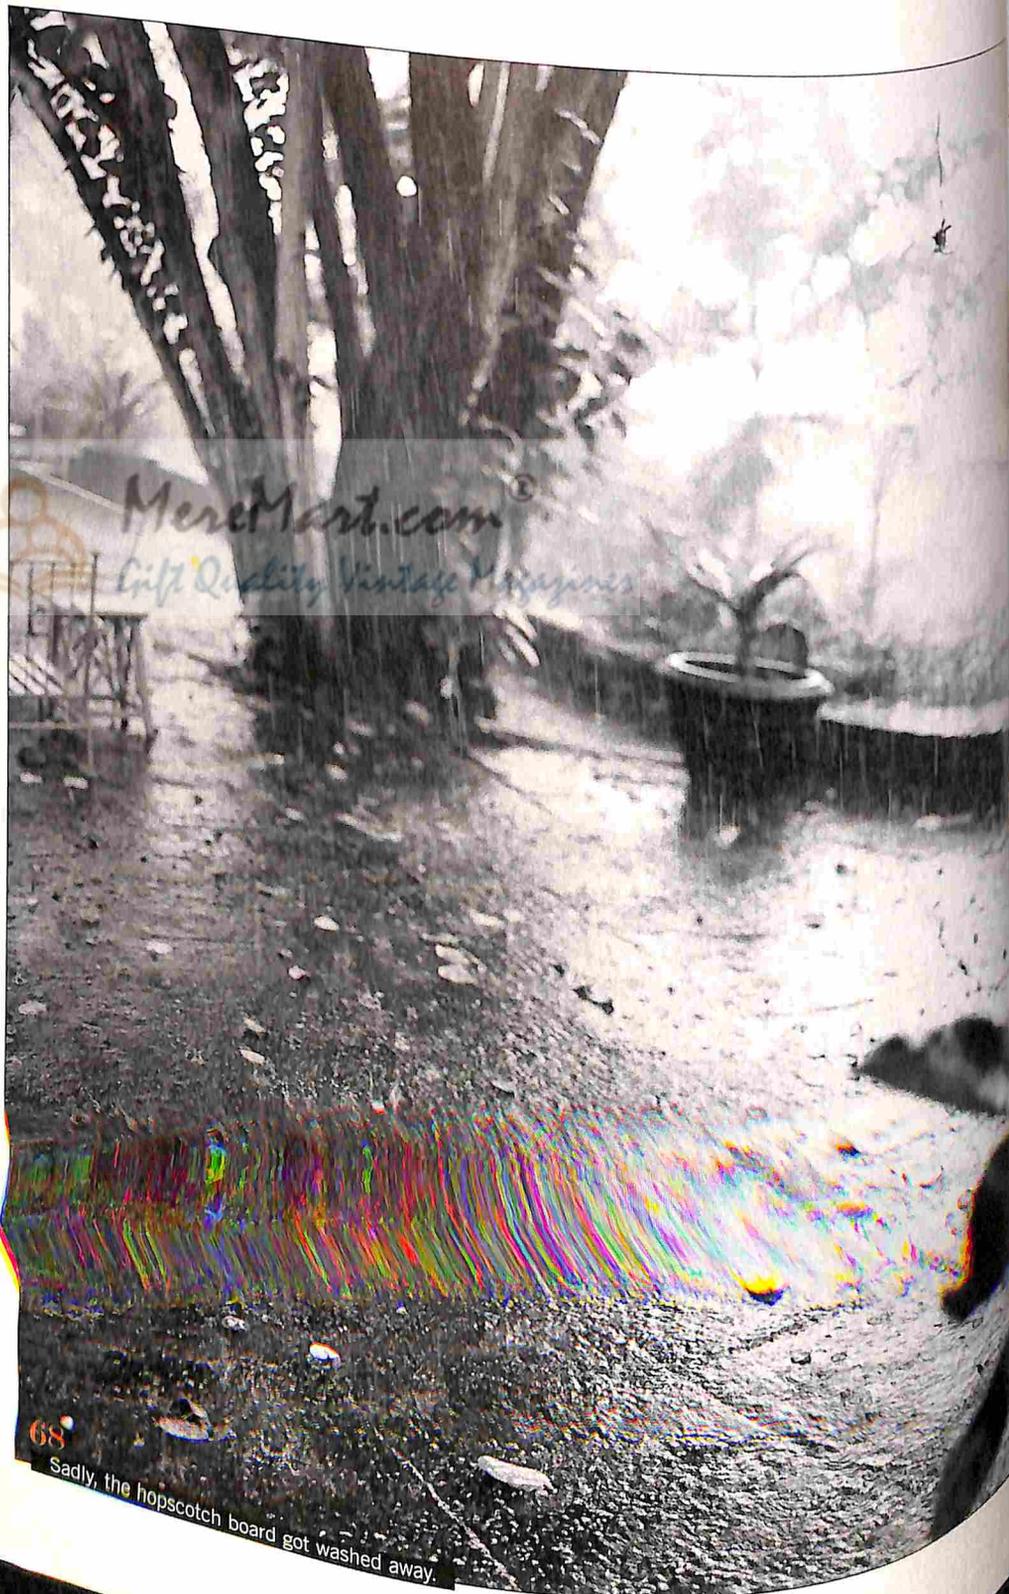

## fashion

Dress

**33** Wear the clothes you've always been scared of. **34** Heels so amazing, you'll be running errands in them **35** Trench coats talk back to the blazer. **36** These purses don't exactly blend. And that's the point. **38** Tasty, bold skirts, skillfully chosen by *One Tree Hill's* Sophia Bush **40** Twelve fun dresses that don't know the meaning of the word wallflower

**68** *Skin Like Rain Boots* Look impeccable when it sucks outside.

**102** *Some Walk the Runway. She Walks the Plank.* Be the rogue instead of the heroine. →
