

The Way We Live

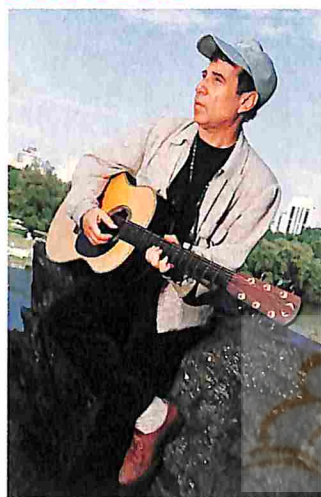

During **Arthur Ashe's last year**, he created a lifetime of memories for his daughter, Camera. His wife's photographs preserved each moment forever.

61

86

Nearly three decades after "The Sounds of Silence," songwriter **Paul Simon** is at the peak of his career—and still reinventing himself.

Face to Face

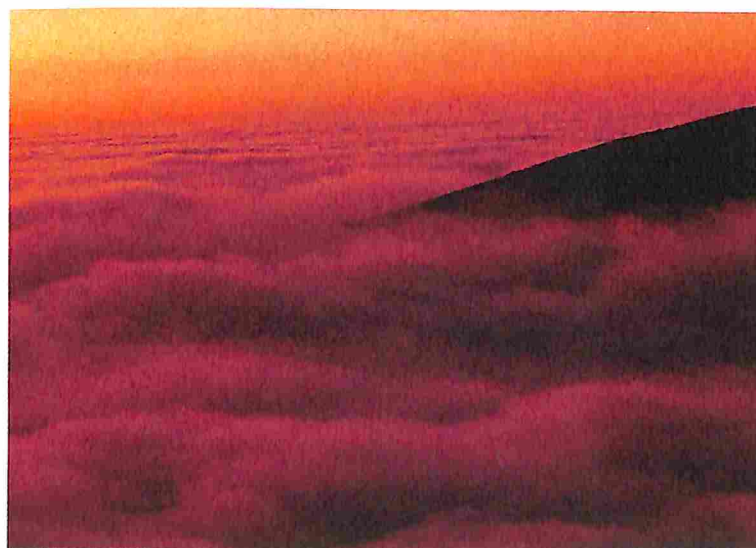

Discovery

46

Won't somebody please **save this whale**? In the hit movie *Free Willy*, someone did. But can the *real* Willy survive?

Journey

80

In the foothills of the Andes, water is scarce. But in the tiny village of Chungungo, Chile, they have found a way to **drink the sky**.

Giant orange pumpkins sprawled in fields.

Ten thousand turkeys gobbling.

Miles of blood-red cranberry bogs. On a

visit to the country at harvesttime, we

celebrate **America the Bountiful**—

and praise the glorious gifts of the earth.
