LIFE'S COVER

"*Dobro, dobro* (Good, good)," Marshal Tito of Yugoslavia replied recently when LIFE Photographer John Phillips asked permission to photograph him at his summer retreat in Bled. The result was the picture of Tito on this week's cover and others on pages 63 through 66. Phillips twice photographed Tito during the war and made a long march as a correspondent with a Partisan guerrilla column campaigning against the German occupation forces. This time he found Tito "gay and full of pep and totally unconcerned, although any Russian in Belgrade will tell you that they are going to get him."
