LOVERS.

**Untouched.
Unread. And way
underpriced.**

You won't find any used books at Daedalus. Not a single title has been handled by another book lover. Every page is pure as the driven snow. But that doesn't mean you pay top price. On the contrary, Daedalus offers an extraordinary selection of top quality remainder books at up to 90% off.

What are remainders? They're "surplus" books. The difference between what a publisher prints, and what gets sold. Daedalus sells the best of them at unbelievably low prices – less than half the list price. So call today for your free catalog or visit our Web site and order online. And if it's your first time, don't be shy. We'll take good care of you.
