Important Information

An additional monthly \$1.75 Regulatory Programs Fee applies to help fund our compliance with various government mandated programs which may not yet be available in your area. This is not a tax or government required charge. Requires qualified plan of \$19.99 or above, credit approval, 2-year agreement, compatible GSM 850 MHz device and \$36 activation and \$175 cancellation fees. Not available for purchase or use in all areas. Usage is rounded up to the next full minute. Availability and reliability of service are subject to transmission limitations. Different rates apply outside each applicable Service Area. Airtime, roaming, additional minute, and long distance charges apply. Various taxes, surcharges, fees and other assessments (e.g., universal connectivity charge) apply. Limited time offer. Other restrictions apply. Subject to Service Agreement and printed materials. Network and Coverage: Our network includes areas we own and areas owned by other carriers. Some features work only on the network we own. International Roaming: Geographic limitations, special credit and billing requirements, and applies to calls placed to or received from another AT&T Wireless subscriber when both are on our owned domestic network. Night and Weekend Minutes: 9 p.m. – 5:59 a.m. 11–12, and 1–9 p.m. – 11:59 a.m. International calling rates apply only when using the AT&T Wireless network. Airtime or roaming charges are in addition to long distance charges, taxes and restrictions apply. Requires compatible device and qualified domestic plan. Discounted International Roaming available only with a qualified domestic GSM 7G/GPRS rate plan. International calling rates apply only when using the AT&T Wireless network. Airtime or roaming charges are in addition to long distance charges. Calling to certain countries is blocked, which may change without notice. You may be charged a per-minute surcharge for certain international calls from the U.S. to wireless devices. Only one rate for the call will appear on your invoice. Before traveling with your device, be sure to check the frequency of both your device and the international network where you are traveling to confirm compatibility. Availability of wireless features varies by country. Incoming and outgoing call charges may apply to calls forwarded to the AT&T Wireless voice mail system even if no message is left. Available countries, rates and surcharges are subject to change. See attwireless.com/international for updated countries, rates and additional information about wireless surcharges. Comparison of lowest rates is based on publicly available information as of December 2003 regarding direct-dial wireless and landline carriers, and does not include carriers providing service via the Internet. Summer Offer: Special pricing available 6/1/04 – 9/30/04. Prices will increase to standard Discounted International Roaming rates after 9/30/04. See website for rates.
