WORLD'S BEST
SMALL-SHIP CRUISE LINE 2003
CONDÉ NAST TRAVELER

Sail with hundreds, not thousands, as you cruise across the sparkling waters of the Baltic aboard the all-suite, all-balcony 700-guest *Seven Seas Voyager*. Or sail the yacht-like 350-guest *Radisson Diamond* to the whitewashed Greek Isles. No matter where you go, you'll enjoy a more personal, close-up view of Europe aboard the smaller, ultra-luxurious ships of Radisson Seven Seas. You can cruise down the Seine to Rouen, for example, or sail right into Portofino's tiny harbor where big ships cannot go. Then wrap up your day with the supreme luxuries and comforts you would expect from the world's "Best Small-Ship Cruise Line," Radisson Seven Seas.

HER PIANO WILL WOO YOUR HEART WHILE HER VOICE
SEDUCES YOUR SOUL.

Diana Krall's fingers dance across the piano keyboard with delicious grace and delicate power.

Her voice will grip your heart with its gravelly texture in one moment, and then melt it with its sensual smoothness the next. She creates a sound that not only satiates the most sophisticated jazz purists, but has broadened the aural pleasures of pop audiences around the world. Her hits tend to linger at the top of the charts for months, not weeks, regardless of music trends. And at award shows, her name is becoming a regular. Among the great divas of jazz, there is a new name: Diana Krall.
