

THEATRE VIDEOS for kids

Once upon a time... there lived a Mother & Son who loved theatre. Together, they traveled as far afield as *Amsterdam* and as close to home as *Louisville* to watch their favorite classics and the best of the new. "This stuff is totally awesome," was the Boy's verdict. "And good for his brain," added the delighted Mother in a stage whisper.

"This is too good to keep to ourselves," they decided. And they formed a company to videotape the *Best Performances* so families everywhere could enjoy them. Filmed by the BBC and introduced by Professor Elizabeth McNamer, the video series included shows like *Frankenstein* ... *A Stranger Came Ashore* ... *Cyrano* ... & *Still the Drummer*.

Parents who wanted their children to see intellectually stimulating drama subscribed to the series. Kids who craved *Lively* entertainment gleefully watched the tapes. All awaited each new video with fevered anticipation and everyone lived *Happily* ever after.
