After six camping trips
in a flashlight,
how much power is
left in this battery?

The answer is at your fingertips.

The Copper Top™ Tester tells you instantly if a battery is good or if it needs to be replaced. So you need never get stuck with a flashlight that won't work.

If you're not sure how much power a battery has left—just pop it in the tester. It's part of the package. It's absolutely free. And it's only from Duracell.
