• Remember when you were going to prepare for the period of post-war opportunities? *This is it!* New industries are coming into being, established industries are expanding . . . and there are rewarding openings for trained men in all lines.

• If you failed to get ready for them, it still isn't too late to do something about it! You don't have to slip back . . . you don't have to content yourself with merely hanging to the same old job. The famous International Correspondence Schools can help you to catch up with the procession.

• But don't delay again . . . or it may be too late. Mail the coupon today for full information on I. C. S. training in the field of your interests.
