## Growing Up with the Dream

By Daniel J. Levinson

Between the ages of 17 and 33, a young man passes through the "novice" stage, a critical time during which he must accomplish four key developmental tasks.

34

## Who's Mentally Ill?

By Daniel Goleman

The psychiatric profession's diagnostic manual, the ultimate authority on mental disorders, is going through a major revision. And a battle's raging.

47

## Spiritual Adventure: The Emergence of a New Theology

One of the most original modern theologians, John Dunne, explains his quest for religious illumination to Kenneth Woodward.

53

## Stepping In

By Paul Bohannon and Rosemary Erickson

A stepfather often feels like the odd man out in his family. But a new study shows that many stepfathers do a better job than they think.

## Why Dentists Are a Pain in the Mind

By James Hassett

The new field of behavioral dentistry is trying to psych out the pain for us. The experts haven't found all the answers, but they do know that getting people over their dental phobias can be like pulling teeth.

66

## A Right to Suicide?

By Doris Portwood

The right of the aged to choose their own time to die is discussed by a 64-year-old woman. She pleads for rational discussion of this still-taboo subject.

78

## How to Unblock

By Desy Safán-Gerard

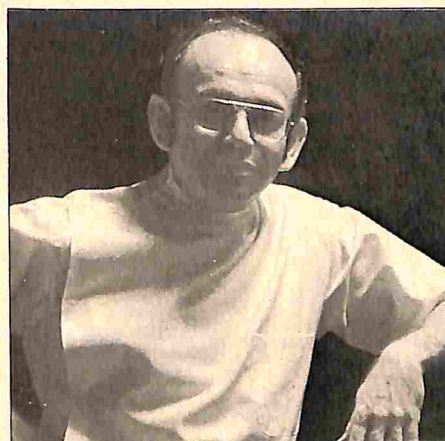

A psychologist-painter finds that the creative process is much like communication between people. Imposing rigid controls at the wrong time or ignoring what the "other" in you is saying can stop you dead.

## Up Front

### Blind Obedience

By Howard Muson

John Dean meets Milgram, Szasz, and others.

14

## News Line

By Jack C. Horn

Sending more people to jail is a poor way to reduce crime; and other items.

94

## Personal

### Fans and Fantasy

By Christopher Lasch

Critics of organized sports are saying plenty—and missing much.
