FILL'EM UP

... with the fresh, clean, widely accepted ...

OILZUM

the choice of champions.

OILZUM HP RACING OIL ...

just as great for high performance family cars as it is for a beefed up racing machine. Especially formulated for high temperature stability ... sludge prevention ... to cut internal friction and wear. Less subject to oxidation too ... so Oilzum won't gum up! It's a natural for 4 cycle motorcycles, as well.

OILZUM TWO CYCLE OIL ...

especially blended for two cycle gasoline engines ... the power package in chain saws, outboards, motor bikes, etc. Contains balanced additives for peak performance. Easily identified (to prevent misuse) by a purple coloring agent. Packaged in convenient, inexpensive, 1-quart plastic measuring container.

Ask your Oilzum dealer about the wide variety of petroleum products made by one of the industry's oldest and most respected companies. We'll be glad to recommend a specific Oilzum product for your particular need. Just write!
