Get off to a good start

And . . . while you're at it give your "wheels" a break by using famous Oilzum motor oils.

There's Oilzum HP Racing Oil for the man who wants the ultimate in protection, lubricity and dependability. Oilzum "Special" Motor Oil is a multi-grade oil with high detergent dispersant characteristics and if you prefer a single grade premium oil, Oilzum HD Motor Oil is the answer.

We've got them all (and a great two-cycle oil for the "bikes" as well.) Next time, scare up some Oilzum. You'll see why "It's The Choice of Champions."
