## TINTA CREAM PORT

A rare dessert wine  
from the cellars of  
The Christian Brothers

The delicate Tinta Madeira grape is used in the most famed wines of Portugal but it is not widely planted in California. The area around where we make our sweet wines is one of the few spots where the Tinta Madeira is grown.

About nine years ago, we began to set aside some of the wines from the Tinta Madeira grapes to create a unique California Port.

Since then, I have personally supervised its progress—giving each lot its own number. The long years in oak casks have been kind to the wine, bestowing on it an exquisite mellowness. The first bottling is now ready. We have given it the name Tinta Cream Port. The cask number is on each bottle.

I believe you will find Tinta Cream a true classic Port of character and distinction; a wine with the finesse that can come only with long aging. It is deep red in color; creamy smooth, luscious, yet not too sweet; a wine to be sipped at the end of a meal with fruits, cheeses or cake, or to be opened when your best friends drop in.

Tinta Cream Port will only be available in limited amounts. It is priced about \$3.00 a bottle. Should your wine merchant fail to have it, you may write to me personally.
