That "new" firearms company in Gardner, Mass. is 103 years old.

Harrington & Richardson, Inc. has relocated its entire operations to expanded manufacturing facilities and administrative offices in modern quarters at Gardner, Massachusetts.

H & R, with over a century of experience in the design and manufacture of quality firearms, has now consolidated all its functions in one central streamlined operation.

From these centralized headquarters, H & R continues to offer the American sportsmen the excellent products and service that have been a company tradition since 1871.

For your convenience, please note our new address and telephone number...
