### The Cover Story

There's a 16-pound king salmon at end of the young lady's line, and a Sunset editor moves in fast to net it. This was about an hour after dawn one day last August; we were trolling just outside Ediz Hook in Juan de Fuca Strait, with Port Angeles in the background. How does the strait compare with other Western fishing areas? See pages 44 to 51. Cover photograph by Glenn Christiansen
