An unobtrusive incinerator.....	80
What's helpful and what's safe—as up the ladder you go.	83

The Cover Story

The perfectly ripe crenshaw melon you see on the cover is one of five Western melons that are superb this month. Here we've paired crenshaw with baked ham to make an unusual and refreshing suggestion for an appetizer or main dish. On pages 60 and 61 we pair four other melons—Persian, honeydew, cantaloupe, and casaba—with choice cold meats. Photograph by Glenn Christiansen
