**SAVE OIL AND ENGINE WEAR**

with this

**LONG QUART**

This 100% Pennsylvania motor oil with THE *Tough-Film*® stands up under intense heat, resists formation of oil-wasting engine deposits. Your engine stays clean and smooth-running, uses less oil. Because Pennzoil lasts so long, it guards against costly wear caused by acids and friction. Switch to Pennzoil now!

**As big a difference as ever!**

Most oils now contain detergents. A detergent's job is not to lubricate, but to improve conditions under which oil lubricates. Pennzoil, too, contains detergents, but its basic lubricating quality, resulting from superbly refined Pennsylvania crude, still provides an extra margin of safety.
