Dave's Whirl

He built a cardboard submarine, he played in a rock band called the Federal Duck, and he majored in English, "where there often is no right answer, and even if there is and you don't know it, you can get a good grade by writing about how you *feel* about not knowing it." Funnyman Dave Barry recalls his years at Haverford College.

**So Cool You'll Drool**

Guys would literally salivate when they espied the Mercedes 2006 that Richard J. Newman was test-driving. Inside, Newman was drooling, too—racetrack-worthy juice, a lush, sculpted cabin with individual climate controls for every seat. Entry fee: \$87,000.
