THE COVER: Anschutz' new Achiever .22 cal. rifle, equipped with a Simmons 4x20 Compact, is designed for the aspiring young shooter. It incorporates features of hunting and pure target rifles, and offers good accuracy and the ability to grow along with its young owner. It was designed in consultation with experienced junior club leaders. See "Dope Bag" report, page 58. Design by John Reid, photo by Gary Putnam.

CAUTION: All technical data in this publication, especially for handloading, reflect the limited experience of individuals using specific tools, products, equipment and components under specific conditions and circumstances not necessarily reported in the article, and over which the National Rifle Association of America (NRA) has no control. The data have not otherwise been tested or verified by the NRA. The NRA, its agents, officers, and employees accept no responsibility for the results obtained by persons using such data and disclaim all liability for any consequential injuries or damages. See asterisked section in staff column, page 4.
