89th Year of Publication

THE COVER

In the Western mountain States, the rock-chuck is a familiar figure, often sought by riflemen. Often called "the whistler" by human Westerners and termed "hoary marmot" by the scientific-minded, the rockchuck is both prolific and numerous. Photographed by Leonard Lee Rue, III.

VOL. 121, No. 5

THE AMERICAN RIFLEMAN is published monthly by The National Rifle Association of America, 1600 Rhode Island Ave., N.W., Washington, D.C. 20036, for the benefit of its members. Domestic rates (U.S. and possessions) \$7.50 a year, \$14 for 2 years, \$20 for 3 years, \$32.50 for 5 years; for foreign postage, add \$1 a year. Copyright 1973, The National Rifle Association of America. All rights reserved except where expressly waived. Second-class postage paid at Washington, D. C., and at additional mailing offices.

To change your address or report not receiving the magazine, write to the NRA ADMINISTRATIVE DIVISION. Change of address should include both new address and a mailing label bearing the old one.

The editors cannot be responsible for unsolicited manuscripts or photographs.

Mention of a product or service in an advertisement or text does not necessarily mean that it has been tested or approved by the NRA.

WEAVER MOUNTS THE GREAT AMERICAN SCOPE. OR 'MOST ANY OTHER SCOPE.

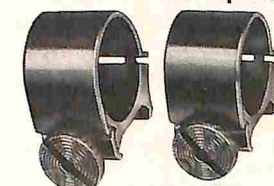

Weaver Tip-Off Mounts. No bases required. They clamp into rifle receiver grooves. Easy mounting without tools. 1" diameter for 1" scopes, \$8.00. 7/8" diameter for 22 scopes, \$3.00.

Weaver Extension Top Mounts. Mounts scope forward for more eye relief, or farther back if required. \$11.00 complete.

Weaver-Detachable Top Mounts. Made for complete reliability and precision accuracy under all hunting conditions. The locating and holding principle is exclusive with Weaver. \$9.95 complete.

Weaver-Detachable Side Mounts. Designed for rifles that cannot take a top mount. Especially suitable for shorter scopes. \$9.95 complete.

Weaver N Mounts. Inexpensive and dependable. Designed for side-mounting both 22's and high powered rifles. \$2.00.

Weaver-Pivot Mounts. They feature a quick pivoting action so the scope may be flipped aside for quick use of iron sights. When returned to sighting position, the scope is in perfect zero. \$12.50 complete.

Weaver makes the right mount to fit 'most any scope to 'most any rifle. Even those hard-to-fit problem rifles. Quality mounts that are way ahead in advanced design, dependable accuracy, and precision machining and finishing.

Quality mounts that are sturdy and lightweight. Light in price, too. Check the complete line of Weaver-Mounts. At your dealer's. Write for FREE all-new 1973 catalog: W. R. Weaver Company, Dept. 1, El Paso, Texas 79915.

Prices shown are suggested retail prices.
