# Take aim. You've got the best ammunition money can buy.

The fact is, some brands of ammunition work better than others. And none works better than Federal.

Federal Hi-Shok® centerfires combine all the ingredients you need for success. Hard-hitting Hi-Shok bullets feature a special design that delivers mushroom expansion up to 200% of the original bullet diameter. The resulting knockdown power is incredible.

When you finally get that once-in-a-lifetime shot, make certain your ammunition is up to the task. Make certain it's Federal.
