BAKED HAM—See page 15 of "60 Ways to Serve Ham."

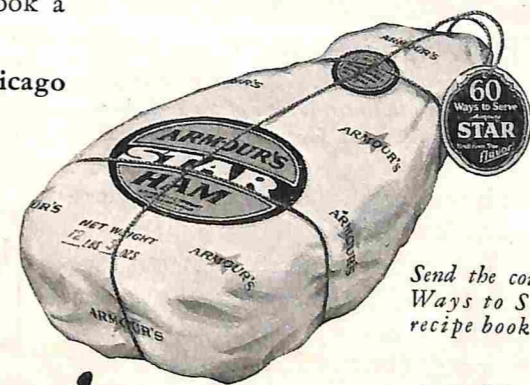

Just consider these dinner suggestions. Select the one that fits your family. Then send for the free recipe book prepared by Armour, "60 Ways to Serve Ham," which tells you exactly how to cook it.

But to make the Armour recipe a complete success, be sure to use Star Ham. For Star Ham is juicy and tender—firm, fine-grained meat that carves easily and is unsurpassed in mild, savory flavor. Just the kind of ham that you and your family will like! Armour constantly demands this home standard of goodness.

Retail meat dealers everywhere will gladly fill your order for Star Ham. It is good economy to buy a whole ham, then have it cut according to the recipe you choose. Even if you only cook a slice, the rest will keep perfectly.
