

"Baptizing Them In the Name of..."

This is the joyful message of baptism we share every day throughout our Lutheran Church—Missouri Synod.

Providing churches and schools where the Good News of Jesus can be shared and learned is the ministry of the Lutheran Church Extension Fund.

As persons and congregations invest in Church Extension, they earn interest on their investments and provide dollars that can be loaned to congregations and Lutheran organizations to purchase land and build churches and schools where the Gospel of Jesus can be taught and preached.

You are helping to bring the Living Water when you invest in Church Extension Fund.
