**29 COVER The Power List**  
For our 50 Most Powerful Entertainers, we set out to define what true power means in 2010, and to delineate who's got it, who's gaining it, and who's losing it. Here are the surprising results. Plus 40 Under 40: The highest-grossing young stars in Hollywood.

**50 Dragon Tattoo & Beyond: Noomi Rapace** She was the first to portray the heroine from Stieg Larsson's best-selling trilogy, and her gutsy performance in those Swedish films turned heads around the world. Now she's moving on to Hollywood—where she's finding she already has plenty of fans. By Rob Brunner

**54 "I Could Kill Someone," by James Franco** An exclusive excerpt of a short story from the actor's upcoming collection, *Palo Alto*.
