

NEWS & NOTES

6/Coming to a Head Sinéad O'Connor's chronology of controversy...Quayle gooses Gore's book sales...DNA of the stars...HOT SHEET...FLASHES...and more.

FEATURES

18/COVER Power 101 Our third annual guide to the men and women who matter most in movies, music, television, video, publishing, and kids' entertainment. Also, to start you on your own power trip, we've pinpointed where the mighty send their kids to preschool, walk their dogs, shop for bargains, and bathe in mud, as well as where they stay in New York and L.A.

REVIEWS
