LIFE'S PICTURES

The pictures of *Sadie Thompson* on pages 43-48 comprise the eleventh theater story photographed by Eileen Darby (left) to appear in LIFE this year. Once a champion swimmer, Miss Darby started taking pictures six years ago. Although still in her 20s, she is a successful specialist in the job of recording a play with a camera. She is highly respected by theater people for her speed, her patience and her ability to capture the spirit of a performance.

The following list, page by page, shows the source from which each picture in this issue was gathered. Where a single page is indebted to several sources, credit is recorded picture by picture (left to right, top to bottom) and line by line (lines separated by dashes) unless otherwise specified.
