

LIFE'S COVER: The silvery, glinting portrait by Karsh on the cover is the 87-year-old Irishman, George Bernard Shaw, who has given a lifetime to cracking the British superiority complex. His greatest work is the play Saint Joan, his latest a new second verse for God Save the King. For more of Karsh's portraits of leaders of Great Britain, turn to pages 87-95.

LIFE'S PICTURES

Yousuf Karsh is an ebullient, curly-haired little man of 34 with a flair for getting the best out of people. He has a studio in Ottawa, Canada, to which he emigrated from Armenia 17 years ago. He loves Ottawa because so many eminent persons visit there. His fame as a photographer began to spread with his great portrait of Churchill (LIFE, Feb. 2, 1942). Great new portraits by him can be seen in LIFE's essay this week, "Leaders of Britain."

The following list, page by page, shows the source from which each picture in this issue was gathered. Where a single page is indebted to several sources, credit is recorded picture by picture (left to right, top to bottom) and line by line (lines separated by dashes) unless otherwise specified.

HOW I RETIRED ON A LIFE INCOME OF \$150 A MONTH

To men and women who want to retire at 60

"Twenty years ago I made a discovery that changed my life. I believe it will interest you.

"At that time, I was worried about myself and my future. I seemed to be living in a circle. I used to dream of being able to relax and enjoy life, without money worries. I longed for security. Yet it seemed hopeless.

"But that was 20 years ago. Now I have retired on a life income. I have no business worries—my security is guaranteed. Each month the postman hands me a check for \$150 and I know that I will receive another \$150 every month as long as I live.

Here's What Happened

"When I was 40, I discovered the Phoenix Mutual Retirement Income Plan.

"The minute I read about this Plan I realized it was just what I needed. It showed me how to get an income for life beginning in 20 years. It showed me how to get immediate protection for my family in case I did not live until then. It even included a disability income for me if, before age 55, total disability stopped my earning power for six months or more.

"Today, at 60, I have the things I want—lifelong security and freedom to do as I please. I can be sure of comfort and happiness in the years ahead."

This story is typical. Wouldn't you like to make sure of your own future—to find out for yourself how the Phoenix Mutual Plan works? You can, by sending for the free booklet offered below.

What's more, you know that your money is safe. Behind every Phoenix Mutual Retirement Income Plan are the substantial investments which the

company has made throughout America, including Government Bonds and many other investments which directly help our country's war effort.
