LIFE'S PICTURES

Bertram Brandt, who took the Picture of the Week (page 33), is on the Italian front for Acme News Pictures, Inc. Putting Yankee soldier waggishness to good use, he produced one of the rare humorous pictures to come from this theater. Brandt has been covering Allied battle action, probably was taking a short rest in Naples when he got this shot. He has been overseas three months, mostly in Italy.

The following list, page by page, shows the source from which each picture in this issue was gathered. Where a single page is indebted to several sources credit is recorded picture by picture (left to right, top to bottom), and line by line (lines separated by dashes) unless otherwise specified.
