### LIFE'S PICTURES

Dmitri Kessel took the magnificent Colorado River pictures in this week's photographic essay. Kessel made his difficult photographic trip by foot, auto, pack train, boat and plane. Here he stands beside Pilot Robert H. Woodward of Denver, Colorado, (left), who flew Kessel through the hazardous Grand Canyon while he took the pictures on pages 72-84. Photographer Kessel is now with the Allied troops that are invading Greece.

The following list, page by page, shows the source from which each picture in this issue was gathered. Where a single page is indebted to several sources, credit is recorded picture by picture (left to right, top to bottom) and line by line (lines separated by dashes) unless otherwise specified.
