

Stories that  
make the past  
come alive...

"Richly imagined."

—JUDITH MERKLE RILEY,  
author of *The Oracle of Glass*

Meet King Richard III,  
a king reviled by history but loved  
by one woman who saw him  
as he truly was.

New from the author of  
*The Other Boleyn Girl*—  
“a tale of forbidden love  
set against a country  
in chaos.”

—The New York Times Book Review

The king's gardener escapes civil  
war in the New World—where his  
passion for botany is matched only  
by his love for a beautiful woman.

Incredibly well equipped for \$27,495. The all-new Azera. Not only does it raise the bar on standard features, it puts it virtually out of reach. Consider some of the highlights: a 263-horsepower V6, Electronic Stability Control, 8 airbags, more interior space than a BMW 760i, and America's Best Warranty.™\* Yes, we'd say this changes things.
