It's the thought that counts. A sentiment as true in making pens as giving them.

You must forgive the pun, but giving a Parker truly makes a lasting impression. For each one is guaranteed to last a lifetime. Not merely to write, but to convey the personality unique to every owner.

Thus a Parker Pen must meet some exacting standards other pen companies don't even have to consider. A Parker nib, for example, is crafted from 18 karat gold and tipped with ruthenium, which is four times harder than steel yet ten times smoother. The nib is then split from tip to heart by hand with a blade thinner than a human hair. And finally, polished for 56 hours in a rotating drum of walnut shells. (Weird, perhaps, but there is no better way.)

So if you're thinking of giving a pen, make it a Parker. And may we suggest you reward your own thoughtfulness with one to sign the card.

PARKER FOUNTAIN PENS RANGE IN PRICE FROM \$35 TO \$3,500. THE PREMIER CHINESE LAQUE PICTURED ABOVE HAS A SUGGESTED PRICE OF \$250. CALL 1-800-BEST PEN FOR YOUR NEAREST PARKER DEALER. © 1989 PARKER PEN USA LTD. JAMESVILLE, WI 53534
