

"A rich story
of discovery....
An astonishing record
of human achievement....
Thrilling reading."

—STEPHEN S. HALL,
The New York Times Book Review

LOST DISCOVERIES

The Ancient Roots of
Modern Science
from the
Babylonians to the Maya

DICK TERESI

"A knowledgeable, witty
science writer surveys the
numerous scientific
achievements of non-European
civilizations, many of them
well known to historians of
science but usually excluded
from classrooms in favor
of Westerners."
