

A Handbook of Practical Logic and Clear Thinking

TRUTH, KNOWLEDGE, OR JUST PLAIN BULL

How to Tell the Difference

Bernard M. Patten

363 pp • ISBN 1-59102-246-0 • PB • \$20

"...Patten doesn't minimize the mental effort required to master clear thinking, but his own clear writing and down-to-earth tone make it as painless as it can be to strengthen your ability to reason and see the faults in the reasoning of others."

—**Publishers Weekly**

"...a terrific addition to stuffy logic courses, helping to show the relevance of sound principles to students' lives. But it is just as suitable for the person who reads for pleasure and intellectual stimulation."

—**Richard T. Hull,**
Professor Emeritus of
Philosophy at the
State University of
New York at Buffalo
