## ALLSTATE INTRODUCES UNIVERSAL LIFE. ONE LIFE INSURANCE POLICY FOR ALL OCCASIONS.

**New Allstate Universal Life. The one-time, lifetime policy that can change as your life changes.**

Nearly every change in your life affects your life insurance needs. And until now, you may have had to buy policy after policy to keep your protection up to date.

But now at Allstate you can make a one-time life insurance purchase, and get a policy that can be adapted as your needs change in the future. A lifetime policy—Allstate Universal Life.

Coverage can be increased or decreased (within limits) if you qualify. And, after your cash value builds up, premiums can be lowered or skipped.

You'll accumulate interest on your cash value at rates comparable to a C.D. or Money Market fund. And under current IRS rules, growth is tax-deferred!

So talk to your Allstate Agent. You may not be able to predict the changes in your future. But one Universal Life policy can help you be ready for whatever is in the cards.
